Welcome

Dear Students/Parents,

Welcome to the Indiana Math and Science Academy! This new school year represents a new beginning, and new futures. The administrative team is excited about this school year, and the staff at Indiana Math and Science Academy is caring, competent, dedicated and willing to assist you. We are working very hard to provide the best possible learning climate for students.

We believe that education is a shared responsibility and that the successful operation of a school depends on the cooperation of everyone concerned: students, parents, and staff. The mission of the Indiana Math and Science Academy is to create a partnership among the members of this triad. Each of us is responsible for doing our part to make our school a place where we can work and play together in harmony.

Indiana Math and Science Academy is a reflection of us all. Our policies are intended to provide a safe and orderly environment conducive to learning. Our faculty and staff look forward to sharing their expertise in academics, special programs, and extracurricular activities. We encourage you to get to know your school, its programs, activities, and schedule. Become an active participant in your school by getting involved in your classes and joining clubs and activities.

This handbook is an overview of our school's goals, services, and rules. It is an essential reference, describing IMSA expectations for its student body. Read it carefully and let it act as a guide for your effective involvement in all parts of the school. It has been written to provide your family with the information that will make your year purposeful and rewarding in every aspect. Keep this handbook because you will use this information throughout the school year.

IMSA is committed to ensuring an atmosphere on school property and at school functions that is safe, orderly, and conducive to learning.

On behalf of the entire Indiana Math and Science Academy staff and community, best wishes for a great school year!

Sincerely,

INDIANA MATH AND SCIENCE ACADEMY ADMINISTRATION

1.0 MISSION STATEMENT

The mission of the Indiana Math and Science Academy (IMSA) is to provide an environment of learning for educationally under-resourced students through a rigorous college preparatory program focusing on science, mathematics, and technology in an atmosphere that provides students, parents, and teacher’s opportunities for continuous growth, enabling them to reach their highest potential in life.

1.1 Statement Of Staff Beliefs

All staff members contribute to Indiana Math and Science Academy’s friendly, inviting environment. We set the tone through our actions and attitudes. We will demonstrate our continuous support and encouragement of students in four important ways:

1. We will teach students expected behaviors in all school environments by relating student actions to our guidelines for student success. We will encourage students to be responsible, respectful of others, cooperative, and hard working.
2. We will provide positive feedback to students when they are meeting expectations and following the guidelines for success.
3. We will seize misbehaviors as teaching opportunities and respond calmly and consistently with corrections or consequences.
4. We will work collaboratively to solve behavior problems that are chronic or severe in nature.

4.0 ADMINISTRATIVE PREROGATIVE

Every effort is made to assign consequences in accordance with the accepted schedule of infractions and consequences. Administration retains the privilege to skip steps at its discretion. This would most often happen when the infraction is deemed to be of such a severe nature as to warrant a more fitting consequence.

Administration retains the privilege to add extra steps to the accepted schedule of infractions and consequences, at its discretion. This would most often occur when considering an individual student's situation and underlying motivators for a certain infraction. Adding steps to an individual student in no way obligates administration to do the same for any other student.

4.1 ADMINISTRATIVE DECISION

In all decisions concerning the application of school rules and policies to a given situation or student, when and if all appeals are addressed, the decision of the administrators of the Academy shall be final.

Students who fail to wear the proper uniform for physical education class will be issued a “no dress,” which will adversely affect their physical education grade. Students with gym class scheduled during 1st period must remain in school attire until instructed to change for gym. All students must change back into school attire before exiting the gym regardless of when their class meets. Students may not travel home or remain at school in their gym uniform.

5.5 Non-dress code days

Several non-dress code days (commonly referred to as “dress up days”) may be scheduled throughout the school year. These days may be scheduled for the entire student body, or may be given to individual classes or students as rewards. Students who are in doubt about a certain item of apparel should not wear it to school; ask the Dean of Students about it ahead of time, or bring another, more-acceptable piece of clothing. **Teachers may require students to remove any piece of apparel that they would prefer a student not wear in their classes (i.e. hats).**

- Students must pass have a passing grade in all of the four core subjects: **Language Arts, Mathematics, Science, and Social Studies**; and half of the remaining courses taken.

Students must have at least a cumulative grade point of 4.00 in order to pass a course.

6.3.a For K-8 School Students:

IMSA reserves the right to consider retention of any K-8 school student, no matter what the child's performance, based on 24 excused/unexcused absences (including suspensions) per school year.

6.5 Report Cards

Report cards are issued and mailed home each 9 weeks while the Midterm Reports are mailed midway through each grading period.

7.0 ATTENDANCE

Students of the Academy are expected to attend all classes, every day, and to make every attempt to be consistent in attendance. It is difficult, if not impossible, to succeed as a student without consistent attendance to classes and to school.

Indiana Code provides that every parent, guardian or other person having charge of any child of compulsory school age must send such child to a school which conforms to the minimum standards prescribed by the State Board of Education for the full time the school attended is in session. Such attendance must begin within the first week of the school term.

To this end, regular attendance is required of all students on the days the school is in session unless **excused** for the following reasons:

1. **Personal Illness:** The director may require a doctor's certificate.
2. **Illness in the Family:** Absences will be excused up to 3 days only when the student's presence at home is necessary.
3. **Death of a Relative:** Absences will be excused up to 3 days with a written request from the parent or guardian.
4. **Quarantine of the Home:** Absences will be excused with a written doctor's statement.
5. **Observance of Religious Holiday:** Absences will be excused upon written request at least 3 days in advance.
6. **Work at Home Due to Absence of Parents or Guardians:** Necessary work at home limited to emergency conditions.
7. **Such Good Cause as may be acceptable by the Director:** Family emergency or set of circumstances, which constitutes a good and sufficient cause in the judgment of the director for absence from school.
8. **Absence recorded as being present in accordance with Indiana Code:**
 1. Service as a page in the Indiana General Assembly
 2. Service on a precinct election board as a helper to a political party on the date of a general, city or town, special or primary election
 3. Subpoena to appear in court as a witness in a judicial proceeding
 4. Quarantine and communicable disease
 5. Exhibiting projects at the Indiana State Fair

The above absences must be prearranged by the parent/guardian calling the attendance officer with specific times and dates.

Absences for any reasons other than those cited above will be considered **unexcused**.

7.1 Reporting Absence

If a student is absent from school or tardy to school, the parent or the guardian must call the school attendance line (317 780 1200) before 8:00 AM on the day of the absence to report a child's absence.

In addition to that, the student must bring a written notification of the absence from the parent on the day of his/her return. An EXCUSED ABSENCE SLIP granting student access to missed work will not be given to the student until this written notification is delivered to the secretary.

7.2 Make-Up Policy for Excused Absences

Any student who was excused-absent from school has the responsibility for obtaining the missed assignments from the teachers. Please see individual teachers regarding his/her class policy.

Students who missed any class assignments or examinations due to an unexcused absence will be denied the make-up work and receive no credit.

7.3 Administrative Procedures for Excessive Student Absence

The Indiana Board of Education requires all students enrolled at IMSA to attend school regularly in accordance with the laws of the State. The educational program offered by IMSA is predicated upon the presence and promptness of the student and requires continuity of instruction and classroom participation.

A “**habitual truant**” is any child “of compulsory school age” (between ages 6 and 18) who is absent from school without a legitimate excuse for more than ten(10) days of school in one (1) school year.

A “**chronic truant**” is any child of “compulsory school age” who is absent from school without a legitimate excuse for more than twelve(12) days of school in one (1) school year.

The State of Indiana, through the State Attendance law, recognizes illness and death in the immediate family as legitimate reasons for absence from school. The administration realizes that certain absences, in addition to these, are reasonable. Therefore, in addition to any excused absences, students will be permitted the accumulation of **six (6) unexcused** absences per semester.

The school realizes that parents and students are sometimes confronted with planned absences or vacations. Vacations during the school year are definitely discouraged by the administration, and instructional staff. Vacation days will count toward the six (6) day limit (per semester).

Absences from school will fall into two (2) general categories:

- excused absence: days which will not be included in the 6-day limit
- unexcused absence: days which will be included towards the 6-day limit

Once a student reaches seven unexcused absences, a parent meeting will be required with administration.

7.4 Tardiness

7.4.1 Tardiness to School

Students are required to be in their homerooms by 7:53 AM. If the student is tardy to the first period, he/she must get a tardy slip from the secretary to be accepted to class. This will be considered an unexcused tardy unless the student brings an explanatory note from the parents. When a student reaches 4 unexcused tardy to school he/she will be assigned one day Friday detention. . When a student reaches 8 unexcused tardies to school he/she will be assigned one day Friday detention and this will be considered one full day unexcused absence. Students are allowed to have only three excused tardies to school per quarter.

When a student is tardy to school for more than one period, he/she will be considered as half day absent if he/she arrives at school before lunch; and is considered to be one full day absent otherwise.

7.4.2 Class Tardiness

Students are responsible for arriving promptly to every class during school hours. In the event of tardiness to class, the student will be asked to present a valid pass or a tardy slip. Class tardiness will also be considered unexcused tardy unless the student presents a valid pass. When a student reaches 4 unexcused tardy to class in a quarter, he/she will be assigned one day Friday/Saturday detention.

Any student not inside the classroom or lunchroom when the bell rings will be considered tardy. A student who accumulates four (4) tardies will be assigned an after-school detention and will receive progressively stronger consequences with additional tardies.

7.5 Early Leave

Students cannot leave the school building without permission and/or without their parent signing out. Failure to follow this procedure will result in disciplinary action.

Legitimate reasons for early leave from school will be accepted provided a note signed by a parent is presented at school. The student must sign-out before leaving the building. Failure to sign-out will result in disciplinary action. Adult students can sign themselves out.

7.6 Prompt pickup by parents after school

Students must be picked up no later than 2:45 p.m. unless they have prior arrangement for club activities, etc. Parents who are unable to pick up their students by 2:45 pm must make arrangements to pick up their students at an off campus location. **Students will not be allowed to remain in the building after 3:15 p.m. If a parent has 2 incidents of picking up students after hours, on the 3rd incident, the Department of Child and Family Services will be notified.**

Students who participate in after-school activities must be picked up within 10 minutes of the activity's end. The school will not be responsible for the wellbeing or whereabouts of the students who remain after school. If the transportation cannot be provided by the parent, the school does not take any responsibility for the students after school hours or after the activity is over.

8.0 MEDICAL POLICIES

8.1 Illness or injury during the school day

Any student who becomes injured or ill during the school day should report such an occurrence to a staff member. The school nurse, if available, will assess the situation and take the proper action.

If it is decided by school staff that a student is too ill to go to or remain in class, the parent or guardian must arrange for the student to be transported home, or give permission for him/her to use public transportation.

8.2 Medication policy

If prescription medicine must be taken by a student during the school day, the following procedures must be followed:

1. The medication must be sent directly to the school from the pharmacy or physician's office or be brought to school by the student's parent/guardian.

2. The medication must be accompanied by a medical release form signed by the student's physician and parent/guardian.
3. The medication container must clearly be labeled with the student's name, name of medication, dosage instructions, and time of dosage.
4. Only the amount needed for the days that the student will be taking the medication should be provided for the school. For instance, if the student is taking Amoxicillin three times a day for two weeks, the Academy should be provided with up to ten tablets, to be taken in the middle of the day.

Extra medication will not be sent home with a student, but must be picked up by the parent or guardian.

Students are not allowed to carry or self-administer any medications, except in the following circumstances:

- ✓ The student has a potentially life-threatening condition necessitating immediate administration.
- ✓ A Medication Self-Administration form is on file at the school, signed by the student's parent or guardian, physician, and school administrator.

8.3 Medical forms

Immunization records are required by state law! Failure to provide them will result in dismissal from school.

9.0 VISITORS

9.1 Parent or guardian visitors

Parents and guardians are welcome at the Academy. The parent or guardian must sign in at the office before they visit a student's classroom or move throughout the building and/or campus, and sign out upon leaving campus. It is required for a parent or guardian to notify the school 24 hours before a planned visit. Parents or guardians who visit without notice may not meet with individual teachers, due to their class schedules, etc.

Parents or guardians who visit and wish to observe their child in classes may do so. When observing classes, please follow these guidelines:

1. Be on time to the classes you plan to visit.
2. Observe quietly, and do not comment or attempt to add into lessons or conversations, unless invited to do so by the teacher of that class.
3. Request a meeting with a teacher at a time other than immediately after the class observed.

Parents or guardians who wish to speak with an administrator should call the school to set an appointment to do so, and then check in at the office when arriving for their appointment. Parents who arrive at school wishing to speak with an administrator without an appointment may or may not be able to do so at that time due to availability.

7.2 Visitors from the general public

Visitors from the general public are always welcome at the Academy. It is suggested, though not required, that visitors make an appointment to visit the school 1 day before a desired visit. This way the Academy can assure that a member of the school staff is available to speak with the visitor, give a tour of the school, etc. Visitors who arrive unannounced are welcome, but may need to wait for an available school staff member. All visitors must sign in at the office upon arrival, and sign out leaving the school premises.

All visitors must sign in at the front desk and get a visitor's pass, leaving a photo ID.

7.3 Student visitors

Student visitors are welcome at the Academy. Students enrolled in a school in the State of Indiana at the time of their visit must have a note of permission from their home school, signed by their director or other school official. If the student visitor is home schooled, or enrolled in a school outside of the State of Indiana, he/she must have a note of permission signed by his/her parent/guardian.

Students of the Academy who wish to bring a visitor with them when school is in session may do so by following these guidelines:

1. The student visitor must have the applicable note of permission, as indicated above.
2. Students visiting IMSA must wear appropriate attire during their visit. Must be approved by the Dean of students.
3. The host student must fill out and submit a Student Visitor Form at least two school days in advance of the school visit. The student must have written permission with confirmation telephone number from their school administrator giving permission for the visit.
4. The host student must receive permission for the visiting student to attend the Academy 1 day in advance of the planned visit.
 - ✓ No student visitors are allowed during the last two weeks of a semester, or during the week preceding a school holiday.
 - ✓ No student visitors may visit who have been expelled from the Academy or any other school, who are habitually truant or who have voluntarily withdrawn after disciplinary actions.

7.4 Parent volunteers

The Academy can only continue its current programs, or add new programs to the benefit of its students through the efforts of its parent volunteers. Parent volunteers are a valued and necessary part of the school experience. The Academy encourages and desires more and more parent volunteers all the time—their value to the Academy cannot be underestimated.

We ask that all parent volunteers follow these guidelines:

1. Sign in at the office whenever working at the school during school hours.
2. Sign out upon leaving the school grounds.
3. Before planning any events, giving away items, purchasing food for students, bringing food or other items to individual classes, etc., parent volunteers must first propose the idea to school administration and/or secure a faculty sponsor for the activity planned.

These few guidelines will help us to avoid unplanned disruptions of the school day, allow administration to coordinate all activities that take place throughout the school day, and to provide for the smooth operation of all school programs.

10.0 LOCKERS

Each student will be assigned a locker for his/her use.

Locker combinations are not to be shared with any other student unless assigned to be shared with sibling. Each student should take care that no other student obtains another lock combination by secretly observing a student open his/her lock. If a student claims that his/her locker has been broken into, but there is no physical evidence of forced entry, it will be assumed that he/she has given the locker combination to another student, “set” the lock to open easily, or otherwise compromised the integrity of the lock/locker security. In that case, no locker or personal searches will be made for items reported stolen.

- ✓ The school is not responsible for any items stored in lockers.
- ✓ Inappropriate pictures or displays are not permitted inside or on lockers.
- ✓ No food or beverages are to remain in lockers overnight.
- ✓ Lockers are the property of IMSA and are subject to search by the school personnel at any time.
- ✓ All materials left unclaimed at the end of the school year or when a student withdraws become the property of the IMSA and will be dealt with accordingly.

Report any damaged or nonfunctional lockers to school administration. Unreported damage will be considered the responsibility of the student assigned to that locker, and will fall under the provisions of the school discipline policy for damage to school property.

11.0 LUNCH PERIODS

Indiana Math and Science Academy has a closed lunch. Students who leave during lunch will be considered truant from school and will be assessed consequences as required by the school discipline policy. A hot lunch is available for purchase, or students may bring packed lunches. Package lunches should be cold lunches with single servings. Sharing food is prohibited. Microwaves and refrigerators will not be available.

- ✓ Students may apply for free or reduced lunch just as in any other school. See school administration for the proper forms.
- ✓ Students may not “charge” their lunch, or borrow money from school or cafeteria staff to pay for lunch.
- ✓ Parents may prepay for lunch. Cost and terms are available by calling the school.
- ✓ No food or drink may be removed from the cafeteria.
- ✓ No food or drinks are permitted in classes, hallways or other areas of the school.

13. PROGRESSIVE EMPOWERMENT DISCIPLINE APPROACH

Indiana Math and Science Academy School Behavior Plan

Introduction

Indiana Math and Science Academy is a safe place for children to attend because we have a very clear discipline policy that is strictly enforced.

While the following pages present the details of our policies, here are the basics: IMSA does not employ the numerous disciplinary procedures pursued by many schools and which have generally failed to bring any real control to the schools. Indiana Math and Science Academy has developed a school wide behavior plan that employs positive interactions between staff and students.

The discipline policies of the Academy are quite strict. Be assured, it is never our goal to suspend or expel any student. We want to keep every student in school and see them receive the best education possible. It's important to ensure that every student can learn and every teacher can teach without any disruption.

13.1 VIDEO SURVEILLANCE

IMSA employs the use of video cameras for security monitoring.

13.2 GANG ACTIVITY OR ASSOCIATION

IMSA has adopted policy that deals with student gang activity or association.

The type of dress, apparel, activities, acts, behavior or manner of grooming displayed, reflected, or participated in, by the student, shall not:

- Lead school officials to reasonably believe that such behavior, apparel, activities, acts, or other attributes are gang related and would disrupt or interfere with the school environment or activity and/or educational objectives;
- Present a physical or emotional safety hazard to self, students, staff, and other employees;
- Create an atmosphere in which a student, staff, or person's well being is hindered by undue pressure, behavior, intimidation, overt gesture, or threat of violence;

• Imply gang membership or affiliation by written communication, marks, drawing, painting, design, or emblem upon any school or personal property or on one's person.

If the student's behavior or other attribute is in violation of these provisions, the principal or designee will request the student to make the appropriate correction. If the student refuses, the parent/guardian may be notified and asked to make the necessary correction. The principal or designee will take appropriate corrective and disciplinary action.

13.3 ANTI-HARASSMENT/ ANTI-BULLYING POLICY

It is the policy of the Board of Directors of the Indiana Math and Science Academy that any form of bullying behavior, whether in the classroom, on school property, to and from school or at school-sponsored events, is expressly forbidden.

Harassment, intimidation or bullying" means any intentional written, verbal, graphic, or physical act that a student or group of students exhibited toward other particular student more than once and the behavior both:

1. Causes mental or physical harm to the other student; and is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student.

2. Harassment, Intimidation or Bullying also means electronically transmitted acts i.e., Internet, cell phone, personal digital assistance (PDA) or wireless hand-held device that a student has exhibited toward another particular student more than once and the behavior both:

A. Causes mental or physical harm to the other student/school personnel; B. and is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student/school personnel.

In evaluating whether conduct constitutes harassment, intimidation or bullying, special attention should be paid to the words chosen or the actions taken, whether such conduct occurred in front of others or was communicated to others, how the perpetrator interacted with the victim, and the motivation, either admitted or appropriately inferred.

A school-sponsored activity shall mean any activity conducted on or off school property (including school buses and other school-related vehicles) that is sponsored, recognized or authorized by the Indiana Board of Education. Transportation of Horizon Science Academy students covered by this policy in rental vehicles or in privately-owned vehicles to or from school-sponsored activities shall be subject to this paragraph.

Types of Conduct Affected By This Policy

Harassment, intimidation or bullying can include many different behaviors including overt intent to ridicule, humiliate or intimidate another student or school personnel. Examples of conduct that could constitute prohibited behavior are:

1. Physical violence and/or attacks; 2. Threats, taunts and intimidation through words and/or gestures; 3. Extortion, damage or stealing of money and/or possessions; 4. Exclusion from the peer group or spreading rumors; and, 5. Repetitive and hostile behavior with the intent to harm others through the use of information and communication technologies and other Web-based / online sites (also known as "cyber-bullying"), such as the following: a. Posting slurs on Web sites where students congregate or on Web logs (personal online journals or diaries); b. sending abusive or threatening instant messages; c. Using camera phones to take embarrassing photographs of students and posting them online; and, d. Using web sites to circulate gossip and rumors about other students; e. Excluding others from an online group by falsely reporting them for inappropriate language to Internet service providers.

**To read the complete IMSA Anti-harassment and Anti-bullying policy, please request a copy from the Main office staff.

13.4 ATHLETIC / EXTRACURRICULAR ELIGIBILITY REQUIREMENTS

IMSA establishes excellence as a standard and strives to maintain an appropriate balance between academics, athletics, and all extracurricular activities. Therefore, it is important that students meet the

following academic requirements in order to participate in athletics, field trips, dances, and any extracurricular or co-curricular activities. This eligibility requirement also includes obtaining work permits. A student must earn between a 2.0 and 2.5 grade point average (GPA) and have no F's on the preceding quarter report card in order to be eligible for participation. In addition, a student is not eligible for ANY of the above mentioned activities if he/she receives four or more referrals. Eligibility for sports is based on the following schedule:

- Eligibility for athletics will be determined at the end of quarter 1, 2, 3, and 4.
- If a student's GPA is below the qualifying expectation for participation; students may submit an appeal for academic probation. If the appeal is granted grades will be reviewed weekly for progress.
- Once a student is ineligible for a sport, he/she remains ineligible until the next eligibility check. A coach or advisor does not have to accept a student back on the team after being ineligible. It is solely at their discretion.

13.5 PROGRESSIVE DISCIPLINE APPROACH

All minor discipline issues will be handled by the classroom teacher such as, talking, chewing gum, out of seat, lack of self-control, having food/drink in class, or tardiness. Minor correctable misconduct reports issued to students in or outside of the classroom will be handled by the issuance of Citations after teachers' attempts to correct the problem with no resolution. Any IMSA employee who observes a student engaged in inappropriate behavior outside of the classroom can issue a Citation. Any staff member may prefer writing citation using Citation Submission Form for the following behaviors:

Citations

1. Eating or drinking in unauthorized areas
2. Minor dress code violations (un-tucked or completely covered shirt, unnatural color of hair, etc.)
3. Chewing gum or eating candy or possession of or passing out them.
4. Hallway disruptions (such as yelling, banging on lockers, and/or running)
5. Horseplay, roughhousing, wrestling, pushing, scuffling, clowning, or acting out
6. Cafeteria misconduct (loud talking, being out of seat when not allowed, playing with/throwing food, cutting in line, failure to clean up after oneself, etc.)
7. Unprepared for class – no homework/classroom, no textbook/workbook, or other supplies.

These forms are submitted to the Dean of Students. Accumulation of 4 citations per quarter for a student results in a disciplinary referral.

Major Issues will be dealt with by the Dean of Students: examples of infractions would include (but not limited to) the following behaviors: repeated offenses noted above, stealing, truancy, physical or verbal assault, violence, sexual misconduct, vandalism, trespassing, disruption of school environment, etc. Appropriate administrator intervention would include: parent/student conferences, in school suspension, out of school suspension, and in the most severe cases, a recommendation for expulsion.

Administration assigns an action based upon the student's disciplinary history according to the following Progressive Discipline Approach:

- 1st Disciplinary Referral of the student: Notify Parent via letter, phone and/or email & Verbal Warning to Student
- 2nd Disciplinary Referral of the student: Weekday Detention
- 3rd Disciplinary Referral of the student: 1 day of OSS
- 4th Disciplinary Referral of the student: 3 days OSS
- 5th Disciplinary Referral of the student: 5 days OSS
- 6th Disciplinary Referral of the student: 10 days OSS and Expulsion Hearing

Depending on the severity of the infraction, some of the above steps may be skipped.

Note: Students who have an out of school suspension are NOT permitted to make up missed work. Students may receive their assignments but will not receive credit for the work. State Law requires that students suspended for school cannot participate in extracurricular activities and cannot be on school property.

EXPLANATION OF CODES/CONSEQUENCES

Expulsion hearing (EH): Parent is given opportunity to schedule a hearing considering the expulsion of the student in question.

Mandatory expulsion (ME): Expulsion required

Police department removal (PD): Proper law enforcement authorities are called to remove student from school premises.

Out-of-school suspension (OSS): Student is denied attendance at school for the number of days indicated.

Financial responsibility (\$): Parent is responsible to arrange payment.

Saturday Detention (SD): Student stays at school from 8:00am until 10:00am.

13.6 Discipline Reports

Most behaviors ought to be handled by staff in the setting in which the infraction occurs. Three specific types of behavior that are serious enough to warrant a discipline report are:

- ❖ Physically dangerous behavior—assault, fighting, or any other behavior that has a high possibility for physical harm.
- ❖ Illegal behavior—possession of controlled substance, extortion, threats of violence, etc.
- ❖ Defiance—(overt and immediate refusal to follow a staff person’s reasonable, specific direction).
- ❖ “Sit down and begin your assignment” is a specific direction but “Change your attitude” is not. “Stop running in the hall and come here to speak with me” is reasonable and specific. A student forgetting homework or being disruptive in class are not examples of overt and immediate refusals to follow a staff members reasonable, specific direction.
- ❖ Not following handbook guidelines.

13.7 Administrator-Assigned Corrective Consequences

❖ Weekday/Saturday Detention

Friday or Saturday Detention will sever as exercises in combatting negative behavior. Negative behavior takes away from the learning experience and compromises the integrity of the Academy. No one has the right to infringe on another’s right to learn. Students severing Saturday Detention will perform community service as a way of giving back.

❖ OSS (Out of School Suspension)

Assignments to OSS vary according to the nature and severity of the infraction. OSS will be used only as a last means of consequence when other means of corrective consequences have been exhausted except the severe

cases. Any combination of infractions resulting in a total of 10 days suspension for the current school year will result in mandatory expulsion.

❖ Behavior Contract

Students who choose to ignore rules by repeating the violation and fail to conduct themselves in a responsible manner will be placed on a Behavior Contract upon the discretion of the administration and other staff members. The conditions of the Contract will be consistent with the specific misbehavior and will outline expectations for improvement. Students who fail to live up to their Contract will face further disciplinary action. Parents will be required to meet with the dean of students and/or principal to sign the Contract. Students who violate their Behavior Contract are subject to be withdrawn from the school or expelled. Some examples of behavior choices that could result in a Behavior Contract with the dean of students or principal are, but are not limited to

- Severe violation of behaviors listed under Out of School Suspension.
- Fighting. The one who is not the aggressor according to description might be exception to this.
- Repetitive minor violations.

Behavior Contracts are not limited to the year of the violation. New and returning students who previously were on a behavior contract will have their contracts reviewed by Dean of Students and Dean of Academics.

❖ Expulsion

Expulsions are up to 185 days duration in an academic school year or permanent from IMSA, according to the severity or habitual nature of the infraction(s). A hearing is required before an expulsion is activated. If a student is expelled, they are not permitted to return at any time.

❖ Filing Criminal Charges

Listed below are acts that are considered to be criminal offense according to the laws of the state. Any violations of these acts will result in the filing of criminal charges against the offender.

Arson - The intentional setting of fire.

Assault – The physical threat of violence to a person.

Burglary - Stealing of school or personal property.

Explosive - The illegal use of firearms on school property or at a school sponsored event.

Any confiscated object may be returned to the parent or guardian if they so request.

Larceny - Theft

Malicious Mischief - Property damage

Robbery - Stealing from an individual by force or threat of force.

and/or the participation in such activities on school property or at a school sponsored events. Disciplinary actions will be taken by the IMSA regardless of whether or not criminal charges result.

Disruptive Conduct – Is conduct that interferes with classroom instruction.

Failing to Cooperate With School Personnel - Students must obey the lawful instruction of school district personnel.

Refusal to Identify Self- All persons must, upon request, identify themselves to proper school authorities in the school building and school grounds or at school sponsored events. Conduct in violation of other criminal or civil laws may, at the Board's discretion, be the basis of legal action against the student if the severity of the conduct renders such action appropriate.

14.0 Code of Conduct

14.1 Prohibited Student Conduct

The Board of Education expects students to conduct themselves in an appropriate and civil manner, with proper regard for the rights and welfare of other students, district personnel and other members of the school community, and for the care of school facilities and equipment.

The best discipline is self-imposed, and students must learn to assume and accept responsibility for their own behavior, as well as the consequences of their misbehavior. District personnel who interact with students are expected to use disciplinary action only when necessary and to place emphasis on the students' ability to grow in self-discipline.

The rules of conduct listed below are intended to focus on safety, and respect the rights and property of others. Students who will not accept responsibility for their own behavior and who violate these school rules will be required to accept the penalties for their conduct.

Students are considered to be subject to the authority of the school when they are en route to or from school and at school related or school sponsored events even though those activities may not take place on school grounds. Some examples include athletic meets and games, field trips, contests, dances and concerts. Misbehaviors that occur at such events will be subject to the same penalties as misbehaviors that occur on school grounds.

Disciplinary Procedures

Discipline is most effective when it deals directly with the problem at the time and place it occurs, and in a way that students view as fair and impartial. School personnel who interact with students are expected to use disciplinary action only when necessary and to place emphasis on the student's ability to grow in self-discipline.

Disciplinary action, when necessary, will be firm, fair, and consistent so as to be the most effective in changing student behavior. In determining the appropriate disciplinary action, school personnel authorized to impose disciplinary penalties will consider the following:

1. The student's age,
2. The nature of the offense and the circumstances which led to the offense,
3. The student's prior disciplinary record,
4. The effectiveness of other forms of discipline,
5. Information from parents, teachers and/or others, as appropriate, or
6. Other extenuating circumstances.

As a general rule, discipline will be progressive. This means that a student's first violation will usually merit a lighter penalty than subsequent violations.

If the conduct of a student is related to a disability or suspected disability, the student shall be referred to the Committee on Special Education and Discipline, if warranted, shall be administered consistent with the separate requirements of this Code of Conduct for disciplining students with a disability.

The amount of due process a student is entitled to receive before a penalty is imposed will depend on the type of penalty being imposed. In all cases, regardless of the penalty imposed, the school personnel authorized to impose the penalty must let the student know what misconduct the student is alleged to have committed and must investigate the facts surrounding the alleged misconduct. All students will have an opportunity to present their version of the facts to the school personnel imposing the disciplinary penalty in connection with the imposition of the penalty.

14.2 Student Searches and Interrogations

The Board of Education is committed to ensuring an atmosphere on school property and at school functions that is safe and orderly. To achieve this kind of environment any school official authorized to impose a disciplinary penalty on a student may question a student about an alleged violation of law or the school Code of Conduct. Students are not entitled to any sort of "Miranda"-type warning before being questioned by school officials, nor

are school officials required to contact a student's parent before questioning the student. However, school officials will tell all students why they are being questioned.

In addition, the Board authorizes the director, dean of students, school nurse, and security officials to conduct searches of students and their belongings. The authorized school official must have reasonable suspicion to believe that the search will result in evidence that the student violated the law or the school Code of Conduct.

An authorized school official may conduct a search of a student's belongings that is minimally intrusive, such as searching book bags, so long as the school official has a legitimate reason for the very limited search.

While conducting an investigation district staff should not physically search students unless they represent a threat to themselves or others. Before searching students or the students' belongings, the authorized school official should attempt to get the students to admit that they possess physical evidence that they violated the law or the school code, or get the students to voluntarily consent to the search. Searches will be limited to the extent necessary to locate the evidence sought.

An authorized school official may search students or their belongings based upon information received from a reliable informant. Individuals, other than the district employees, will be considered reliable informants if they have previously supplied information that was accurate and verifiable. They may also be considered reliable informants if they make an admission against their own interest or they provide the same information that is received independently from other sources threat to safety. School employees will be considered reliable informants unless they are known to have previously supplied information that they knew was not accurate.

Whenever practicable, searches will be conducted in the privacy of administrative offices and students will be present when their possessions are being searched.

A. Student Locker, Desks, and other School Storage Places

The rules in this Code of Conduct regarding searches of students and their belongings do not apply to student lockers, desks, and other school storage places. Students have no reasonable expectation of privacy with respect to these places and school officials retain complete control over them. These items and locations remain the property of the school district at all times. This means that student lockers, desks, and other school storage places may be subject to search at any time by school officials, without prior notice to students and without their consent.

B. Strip Searches- This school is against conducting strip searches *except in emergency situations*. A strip search is a search that requires a student to remove any or all of his or her clothing, other than an outer coat or jacket. If an authorized school official believes it is necessary to conduct a strip search of a student, the school official may contact law enforcement officials and request that they conduct the search.

D. Police Involvement During Searches and Interrogations of Students

District officials are committed to cooperating with police officials and other law enforcement authorities to maintain a safe school environment. Police officials, however, have limited authority to interview or search students in schools or at school functions, or to use school facilities in connection with police work. Police officials may enter school property or a school function to question or search a student or to conduct a formal investigation involving students only if they have:

1. A search or an arrest warrant,
2. Probable cause to believe a crime has been committed on school property or at a school function, or
3. Been invited by school officials.

Before police officials are permitted to question or search any student, the building director shall first try to notify the student's parents to give the parents the opportunity to be present during the police questioning or search. The dean of students will also be present during any police questioning or search of a student on school property or at a school function.

Students who are questioned by police officials on school property or at a school function will be afforded the same rights they have outside the school. This means:

1. They must be informed of their legal rights.
2. They may remain silent if they so desire.
3. They may request the presence of an attorney.

E. Child Protective Services Investigations

Consistent with the districts commitment to keep students safe from harm and the obligation of school officials to report to child protective services when they have reasonable cause to suspect that a student has been abused or maltreated. The district will cooperate with local child protective services workers who wish to conduct interviews of students on school property relating to allegations of suspected child abuse, and/or neglect, or custody investigations.

All requests by child protective services to interview a student on school property shall be made directly to the building dean of students or director. The dean of students shall set the time and place of the interview. The dean of students shall decide if it is necessary and appropriate for a school official to be present during the interview, depending on the age of the student being interviewed and the nature of the allegations. If the nature of the allegations is such that it may be necessary for the student to remove any clothing the school nurse or other school official will accompany the Child Protective Worker and the student to the local hospital emergency room where medical staff will conduct the examination.

A child protective services worker may remove a student from school property with or without a court order, if it is reasonably believed that a student is subject to danger or abuse if he or she were not removed before a court order can reasonably be obtained. The worker may remove a student without a court order and without the parent's consent; however the social worker must sign a written statement to that effect.

14.3 APPLICABILITY OF SCHOOL POLICIES

All school discipline policies, rules, infractions, etc. apply equally during school hours, before and after school hours, during school-sponsored or sanctioned events during or other than school hours, during field trips, class trips, etc., and, in some instances as noted, apply 24 hours a day in any context.

14.4 NOTICE OF HEARING

No hearing or appeal will be scheduled for infractions in which the consequence is the student's removal from curricular or extracurricular activities for less than 24 hours, and/or if the student is not subject to removal, suspension or expulsion proceedings.

14.5 DUE PROCESS

All students are entitled to the rights guaranteed by the United States Constitution and Bill of Rights, and their rights will not knowingly be denied by the required code of conduct or by any disciplinary actions taken by the school. Any student who exhibits any of the Unacceptable Student Behaviors listed in this handbook or added to this list at a later date will suffer immediate consequences. These consequences range from notification of

parents, detention, and emergency removal from a school activity to suspension, expulsion, and criminal prosecution.

All students have the right to feel that they are physically, emotionally, and intellectually safe.

- Therefore, if at any time you feel you are the subject of harassment, hazing, threats, or other intimidating behavior, you should immediately speak to an administrator about the problem. The situation will be investigated as soon as possible. All reports like this will be kept completely confidential.
- Similarly, if you are concerned about the safety of another student who seems to be the subject of harassment, hazing, or threats, you should immediately speak to an administrator about the problem. The situation will be investigated as soon as possible. All reports like this will be kept completely confidential.

When the report of a student and staff member differs, the staff member’s version will be the one accepted.

14.6 ABSENCE FROM CLASS DUE TO DISCIPLINARY ACTION

Time missed from classes due to disciplinary action (OSS) is considered unexcused absence. In the case of missed tests, quizzes, homework, projects to be turned in, etc., this work will not receive credit.

14.7 SCHOOL BUS RULES

All school rules and policies apply when students ride busses to and from school and school activities. Bus drivers will provide each student with bus rules. Students who receive disciplinary “write-ups” from bus drivers will be dealt with according to that student’s prior bus infractions.

14.8 COMMON AREAS

A school’s common areas include such places as the playground, hallways, restrooms, and the cafeteria. 15.0 PROPER RESPONSE WHEN THREATENED

When threatened with physical violence by another student, the proper and expected response from students is to go directly to the nearest school staff member. Fighting back or physically defending oneself is not an acceptable option. If a student responds with violence to a provocation, both students will be held to equal consequences. The only possible exception to this policy might be if the student who is not the aggressor can prove that s/he is not the aggressor and that no staff member was present or immediately available, and the student had no choice but to physically defend him/herself.
